7 Day Savute & Okavango Delta – [click to view digital itinerary](#)

Embrace two thrillingly different safari experiences in Botswana. Savute Elephant Lodge sits beside the mysterious Savute Channel and Eagle Island Lodge is in the heart of the Okavango Delta. Each offers experienced guides, rich wildlife encounters, and unique activities. Together they enchant even the most seasoned safari traveller.

Dynamic Landscape: Elephants are, not surprisingly, the main attraction at **Savute Elephant Lodge** which boasts an exemplary eco-friendly design, luxurious spa and viewing hide. The majestic inhabitants are drawn to the mysterious Savute Channel, which flows and dries up seemingly at whim.

Ultimate Okavango: Eagle Island Lodge is a sustainably designed and built sanctuary that takes you magically close to the Delta's rich wildlife. Drift through the watery landscape on a mokoro canoe, spotting hippos and kingfishers, or fuel your adrenaline with a thrilling helicopter and horseback safari.
